Memrise

www.memrise.com

Memrise is an online learning tool with courses created by its community. Its courses are mainly used to teach languages ... (WikiPedia)

The screenshot displays the Memrise website interface. At the top, there is a blue navigation bar with the Memrise logo on the left, and links for "Courses", "Login", and "Sign up" on the right. A small flag icon is also present. Below the navigation bar, there is a "Courses" section with a grid icon, a "Create a course" button, and a search bar. The main content area is divided into two columns. The left column features a "I speak:" dropdown menu set to "English" and a "Top Categories" list with options for English, Spanish, French, German, and Japanese. The right column, titled "Courses by the Memrise Community", displays three course cards. The first card is for "400 Words of TOEFL - Intermediate" in English, created by Memrise, with 511k users and 7h of content. The second card is for "Introduction to Japanese" in Japanese, created by jptbootca..., with 500k users and 3h of content. The third card is for "A1 French" in French, created by Memrise, with 480k users and 28h of content.

The screenshot displays the Memrise website interface. At the top, there is a blue navigation bar with the Memrise logo on the left and navigation links for Home, Courses, and Groups in the center. A pink 'Go Pro' button is on the right, next to a user profile picture. Below the navigation bar is a decorative banner with a colorful landscape illustration. The main content area is divided into two sections. On the left is a user profile for 'ssatoru MEMPEE', showing a profile picture, a pin icon, and statistics: 87 words learned and 45,459 points. A 'View profile' link is at the bottom. On the right is the 'Recently learned' section, featuring a course card for 'Nakama Kanji V. 1 L. 08'. The card includes a book cover image and a Japanese flag icon. To the right of the card are options to 'Set a daily goal', a trophy icon, and a progress indicator showing '0 / 42 words learned'. At the bottom right of the card are a lightning bolt icon with '0' and a green 'Learn' button.

The screenshot shows a Duolingo interface with a blue navigation bar containing 'Home', 'Courses', 'Groups', and 'Go Pro'. The main content area is for a group named 'Japanese 202 2016-S' created by 'ssatoru'. It has tabs for 'Courses' and 'Members (19)'. Below is a table titled 'Overall group list' with filters for 'Week', 'Month', and 'All time'. The table lists the top 10 members with their names and scores. At the bottom, there are page numbers '1' and '2'.

Create Groups

The screenshot shows the Memrise website's 'Groups' page. At the top, there is a navigation bar with the Memrise logo, 'Home', 'Courses', 'Groups', and a 'Go Pro' button. Below the navigation bar is a decorative banner with a landscape illustration. The main content area is titled 'Groups I've created' and includes a 'Create a new group' button. On the left, a user profile for 'satoru MEMPEE' is shown, featuring a profile picture, a pin icon, and statistics: 87 words learned and 45,639 points. The main form for creating a group includes a 'Group:' label, a text input field, a dashed box with an upward arrow, and the text 'I use this group for:'. Below this are two radio button options: 'Teaching my students' and 'Learning with my friends'. A green 'Create group' button is positioned at the bottom of the form.

How do students like?

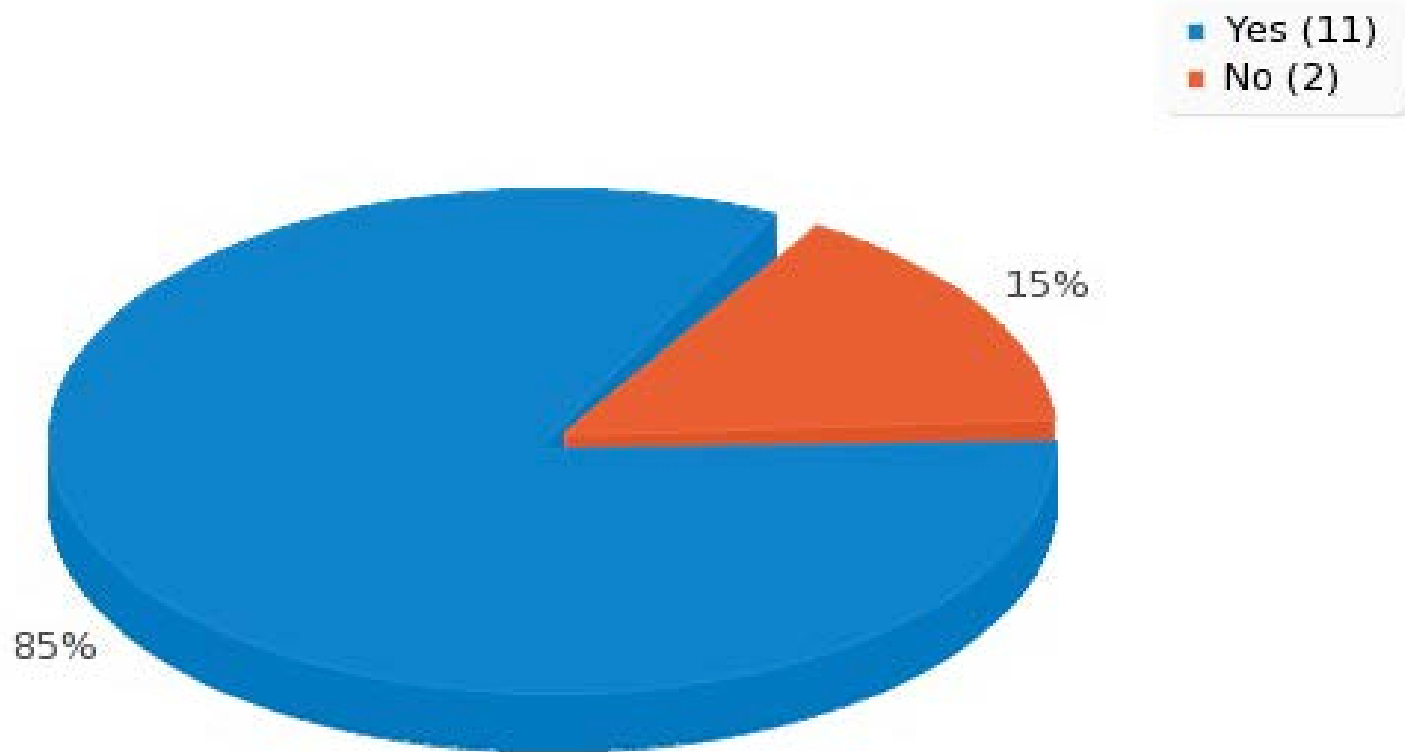

- Do you like using “memrise” ?

Students' Comments

- Because I can learn vocabulary when I play the game.
- I like using memrise because it is easy to use and I can be on it for long periods of time without getting bored.
- It's a fun way of learning Japanese. Makes it easier to memorize vocabulary and kanji

“Game-like” feeling

“Game-like” feeling

- it gave me a chance to think on my feet, which helps me memorize vocabulary more quickly. It also doesn't feel like studying
- As a competitive person, i really like the game like feeling. It's fun getting points when you get something right
- I like the "game-like" feeling because it doesn't feel like studying at all, and I'm more motivated to study because of it.
- Entertainment makes learning easier
